

Louisa County Commission on Aging
April 11, 2018

Attendees: Willie Gentry-BOS, Ginger Dillard-JABA, Brian Cohen-Jaunt, Alex MacCormack-AARP, Jon Tustin. Lillian Morris, Angela Zongilla, Kathy Swarthout, Cindy Swann

Moments of Silence: Prayer

Minutes: After corrections made the Minutes were approved. Martha Jefferson Service is a Service Line and called Helping Aging.. UVA is probably starting their own program and not getting involved.

Treasurers Report: Balance on hand March 31, 2018 \$3,483.54. No receipts or expenditures. Report approved.

Membership: Ginger Dillard was introduced and is our new JABA Rep. She gave us her background with JABA. She worked in Louisa for JABA for 17 years. She is now Director of Advocacy Services at Charlottesville.

She has been with JABA hope she will be staying with us. Jennifer Carter has been appointed to the COA for Mineral District. A phone number is needed that we are able to contact her. Couldn't get in touch with her to let her know the April meeting would be on the second Wed. instead of the first Wed. She apparently came to the Center last week. We need to get members from other Committees to join the COA.

Other Business: Willie put in for us for \$2500 for the COA and know how much we would get involved with and the BOS wouldn't give anything because we had a pretty good balance. If you have a pretty good balance you won't get much. He hopes that will change. Went over applying for a grant. Thought it would be a good idea to have some kind of relationship with Louisa Counseling Services. If someone from the Membership Comm. would contact Michelle Hottnger and let her know that we are here and are anxious to be advocates for any Seniors that we may be able to help out.

One thing we need to look at going forward that there are medical services needed in this county for an Emergency Center and that kind of thing. It was brought up about the Hospital that was to be put up by the lake. The County actually thought that Bon Secour was going to come out and put something up near the lake and it didn't work out. Think had to do with the property. Some of the Hospitals are setting up 24 hour standalone ER's like urgent care.

Committees: Sub Committee – Willie, Kathy, Jon and Cindy are on the Committee. We will be revision the Bylaws. A copy of the Bylaws was passed out to everyone to go over them. We want everyone every ones input. We will go over them at our May meeting.

Senior Center Report: Crystal usually gives the report. They are on a trip.

(Continued from Pge1)

Speaker: Brian Cohen is the Public Relations Mgr. of Jaunt. He covered what Jaunt does in Central Virginia and what they cover in Louisa. They cover Albemarle (Charlottesville) Nelson, Buckingham, Fluvanna, Louisa. Services vary in these Counties. He gave us a lot of information. We thank him for joining us.

Old Business: The Yellow Book-There have been some changes since we did the YB. Can get in touch with James at Parks & Rec. and migrate it over to the County. When changes come up we could put them on a web page. Ginger brought up that services change and JABA could be helpful if they were more involved. They are aware if organization disappear or new ones that are offering services. Ginger is on the Committee.

- **New Business:** None

Correspondence: None

Meeting Adjourned
